Hand in deadline	

Vocational Scenario or Context	The owner of a local health and fitness magazine has asked you to produce a report that explores business-related legislation and organisational procedures in the sport and active leisure industry. This will be published in the next issue of the magazine.

Task 1	You have been asked to produce an individual evaluative report on legislation, ethics and professional behaviours using the business you proposed for learning aims A&B of this unit. **Report - Legislation, ethics and professional behaviours - their importance to and impact on a business** Your report should include: • The importance of **four** types of legislation that are in place and impact on your proposed business (e.g. health and safety legislation, public liability insurance, national governing bodies and data protection), and the importance of ethics and professional behaviours when dealing with customers/clients (e.g. dress, communication and attitude). Reasons should be given as to why each is important for both the clients and for the success of the business. **C.P7** • Details and examples of what could happen if your business did not have business-related legislation and organisational procedures in place or did not adhere to them. **C.M4** • A justified conclusion that weighs up the positive

	and negative impacts of legislation, ethics and professional behaviours on your proposed business, to include the support of the health and wellbeing of your staff and customers/clients **C.D3**

Criteria covered by this task:	
Unit/Criteria reference	To achieve the criteria, you must show that you are able to:
C.P7	Explain the importance of legislation, ethics and professional behaviours for a for a selected sport and active leisure business.
